Upset All Predictions.

J. F. Hughes was a candidate for county treasurer at Du Pont, Ga., but it was predicted that he could not live six months. He was afflicted with a running abscess on his lung and suffered for three years; his life trembled in the balance when he heard of Dr. King's New Discovery for consumption. He tried it and was finally cured and thus upset the predictions of all who knew him. It is positively guaranteed for Throat and Lung trouble by All Druggists. Price 50c and \$1.00 Trial bottles free.

CREELSBORO.

Last Thursday afternoon Mr. Jas. Black, a promising and industrious young man, was married to Miss Cecil Haynes, the beautiful daughter of Mr. Arnold Haynes, of near Montpelier. Only a few special friends witnessed the ceremony which was beautiful and impressive, performed by Rev. Mitchell at the home of the bride's father. Immediately after this solemn vow had been pronounced the happy couple and their friends left for the home of the groom where a magnificent supper awaited them. This popular young couple were the recipients of many handsome and useful presents. Mr. Black's many friends congratulate him upon winning his companion for she is a lady who possesses all the traits that go toward making a noble and beautiful woman. May their journey through life be long, prosperous and happy is the wish of their many friends at Creelsboro.

End of a Bitter Fight.

"Two physicians had a long stubborn fight with an abscess on my right lung," writes J. F. Hughes, of Du Pont, Ga., "and gave me up. Everybody thought my time had come. As a last resort I tried Dr. King's New Discovery for Consumption. The benefit I received was striking and I was on my feet in a few days. Now I've entirely gained my health." It conquers all Coughs, Colds and Throat and Lung troubles. Guaranteed by all druggists. Price 50c, and \$1.00. Trial bottles free.

The gum shoe methods of the oleaginous Dr. Godfrey Hunter, manager of the Republican campaign in Kentucky, will not fool any Democrat. The impression he is trying to create that the Republicans are disorganized and are taking but little interest in the campaign, will be taken for what it is worth. The Republicans are neither indifferent nor inactive. They are taking more than the usual interest in the campaign and are resorting to unusual methods to increase the Republican vote in the State. A large number of negroes have been fraudulently registered at Louisville and in several other localities, and a big corruption fund is being forced from the pockets of the government, and they will engage in the work of vote-buying on a very liberal scale. The Democracy are fully cognizant of their dark sinister and corrupt tactics. —Georgetown Times.

A Love Letter.

Would not interest you if you were looking for a guaranteed salve for sores, burnes or piles. Otto Dodd, of Ponder, Mo., writes: "I suffered with an ugly sore for a year, but a box of Arnica salve cured me. It's the best Salve on earth. 25c at All Drug Stores."

Charles Emory Smith declares the Panama canal will be built. Is he on the inside?

SATISFIED.

The young heathen listened with gladness to the instructions of the young man who had crossed the trackless ocean to teach him the ways of civilization.

Then he waded in.

When he emerged from the scrimmage and wiped the blood and dust from his eyes he saw the ball hurtling through the air.

Slowly removing his nose guard, padded trousers, leg fenders and heavy shoes the heathen remarked: "If this is civilization I believe I will cling to the more humane and less bloody tradition of my head-hunting fathers."

Of course, being only a heathen he was unable to comprehend the beauties of our national fall sport.
